Dear John:

The Carbondale Historical Society will present a talk/illustrated lecture on the Delaware and Hudson Canal Company's Gravity Railroad on February 3, 1983, at 7:30 P.M. in the Auditorium at Saint Joseph's Hospital. Several members of the Carbondale Historical Society will participate in this presentation which, as we see it now, will conclude with a screening of the film about the Delaware and Hudson Canal entitled "The Canawler."

I hope that your schedule is such that you and Tino Penzone (I don't have an address for him), as well as other of your colleagues, will be able to attend and participate in this presentation.

Sincerely,

S. Robert Powell
